SIERRA MADRE, CALIF. THURSDAY, JANUARY 25, 1951

VOL. 45, NO. 11

Wetherbee Elected Chamber President

Al H. Wetherbee was elected 1951 President this week of the Sierra Madre Chamber of Commerce, with Francis Danielson elected to serve as Vice-President and Henry Nelson as Treasurer.

President Wetherbee prom-

*Around
the Square*

Yes, boys, the Depot really belongs to the city now. How's chances of the "legal owners" cleaning up their property? Several townspeople have been heard muttering something about the clutter of trash and papers being "a disgrace to Sierra Madre."

We wonder if the government freeze on building will delay construction of the competing business district proposed for the corner of Sierra Madre boulevard and Michillinda. If so, Sierra Madre merchants might well sing: "In every cloud there's a silver lining."

Anyway, there doesn't seem to be much delay in building houses in the tract to our west.

Sierra Madre businessmen were visibly unnerved Tuesday by the noise accompanying the visit of the iron lung. But, in spite of an erratic PA system, everyone agreed the visit was for a good cause and completely worthwhile.

R. C. Lewis of the bank said he hoped none of his employees slipped a decimal point during the bedlam outside his door.

WE CAN BE PROUD ETC. DEPARTMENT: In Sierra Madre, at least, the only pot shots taken at the City Hall are of the verbal variety.

Anybody find a woman's wrist watch? Emma M. Dunn hopes someone has and will return same to 681 W. Orange Grove, her home. It's been missing since last week. She places the value of the watch at \$75.

School District Hires Doctor

Dr. Yolanda S. Brunie has been employed by the Sierra Madre City School District as school doctor, Superintendent Charles A. Skutt announced last week.

Dr. Brunie will work as needed with the school nurse, Mrs. Hortense Wells, conducting physical examinations of approximately 250 boys and girls each year and handling any special cases.

Chamber Resolution Asks

JOIN CITY WITH PASADENA COURT

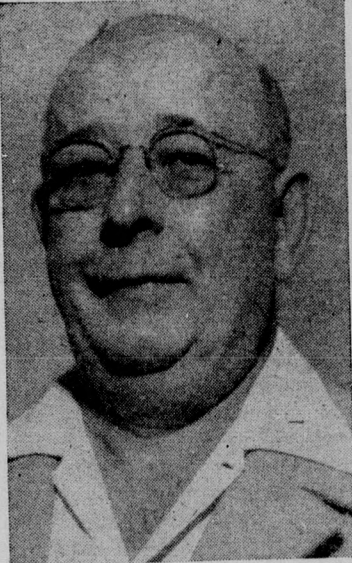

A resolution unanimously adopted by the Chamber of Commerce Board of Directors this week asked that Sierra Madre be joined to an expanded Pasadena municipal court when the lower courts are reorganized next January.

The city's police court will be eliminated Jan. 1 under provisions of Proposition No. 3 approved by the voters at the Nov. 7 general election.

By that time, the State Judicial Council and the Board of Supervisors will have worked out a plan for inferior court consolidation.

ised an active and successful year for the Chamber with definite completion of projects for the benefit of the whole city.

The future conversion of the Pacific Electric depot and the

AL H. WETHERBEE
... Chamber chief

Kersting Court Square into a Civic Center was again discussed and motions made to put preliminary plans into definite operation.

"We want to make this Chamber a real organization working for the good of all of Sierra Madre," Wetherbee said. "It's not just a businessmen's and merchants' group—but a civic organization that can and will accomplish things with the help of other clubs and individuals that will benefit the whole city."

The 1951 membership drive for the Chamber was set up with all Directors as a lead membership committee and all Chamber members as members of the drive committee.

Annual 'Dime' Appeal Ends Next Wednesday

More than a score of irreplaceable polio patient services are paid for by Sierra Madre citizens contributing to the March of Dimes, it was reported this week by Chairman Mrs. Neota Meyer.

The annual fund appeal closes next Wednesday, Jan. 31. Late contributions may be sent to the Sierra Madre City Hall.

Mrs. Meyer pointed out that half of the funds contributed locally are retained by the Sierra Madre polio chapter. The other half normally is sent to national headquarters to pay for research and for the epidemic aid fund.

Money raised by the March of Dimes is used to help defray hospital and convalescent expenses of stricken families.

Total expenses for the year in Los Angeles County is estimated at more than \$1,000,000. Mrs. Meyer this week urged residents to return their dime and check card containers mailed by the Civic Club, sponsoring organization of the drive in Sierra Madre.

Cardboard "iron lung" banks have been placed in local stores and offices, and a March of Dimes booth has been set

Vital Subjects On Tap for ARC Meeting

Two vital subjects of interest will be under consideration Monday, Jan. 29, when the Sierra Madre American Red Cross Chapter conducts its annual meeting.

Miss Bertha Young, American Red Cross field director at the Long Beach Veterans Hospital, will tell of the work the ARC is doing at the hospital.

The second speaker of the evening will be R. A. Jakoubek, disaster field representative of the Red Cross, who currently is working with Civilian Defense officials of Los Angeles County.

Annual reports of the chapter will be presented during the evening, and 1951 directors elected.

The evening will begin with a dinner at the Woman's Clubhouse, starting at 6:30 p. m. The public is invited. Reservations should be made at the Chapter House, 41 S. Baldwin.

IRON LUNG VISITS TOWN

Sierra Madreans had a chance to see a real iron lung in operation Tuesday.

The "lung" was displayed in Kersting Court, in front of the Bank of Sierra Madre. It came in the world's largest ambulance, a 10-ton truck and trailer unit having an overall length of 45 feet.

Several other polio-combating devices were shown with the lung, including a rocking bed for convalescing victims. The trailer unit that visited Sierra Madre actually was used for emergency work during the severe epidemic in North Carolina.

The display came to town as a part of the March of Dimes Fund Campaign here.

up in front of the Bank of Sierra Madre.

And on Tuesday, a real iron lung came to town and was exhibited in the Kersting Court area.

RESIDENTS HEED LUMBER APPEAL FOR BALL PARK

Public response to the appeal for scrap lumber for the city ball park was "very gratifying," VFW Raider Manager Larry Shepherd announced this week.

"But we can still use plenty more," he stated.

The Raiders hope to build a bleacher covering, dugouts for the teams, and a shelter for the public address announcer. Several carpenters have volunteered their services and all that is needed is enough lumber to do the job.

Last week, nine or ten residents donated lumber, and it is being picked up by players and Mr. Shepherd.

If you have lumber—no pieces less than 3 feet in length, please—call CUster 5-5539 for a "guaranteed one-day pickup."

Council Praises Fire Department

"High satisfaction" in Sierra Madre's Fire Department was expressed by the City Council Tuesday night as Fire Chief James C. Heasley reported there were only 15 fire calls here last year and a fire loss of only \$6000.

Councilman Noren Eaton said every Sierra Madrean would agree with the council in being proud of the fine way the Fire Department serves the city with so little expense.

He moved that a letter of appreciation and congratulatory be sent the department, expressing high satisfaction by the city with their services.

FIREWORKS SEEN AT PC MEETING

Verbal fireworks are expected tonight, Jan. 25, when the Planning Commission holds a public hearing on the proposed rezoning for light manufacturing, of property at the intersection of Lima and Sierra Madre boulevard.

At least three property owners have stated they will oppose the rezoning requested by Stoddard and Guthrie of the Seaside Service Station, 345 W. Sierra Madre boulevard.

The petitioners seek to do light manufacturing work for defense during the national emergency. The Planning Commission meets at 8 p. m. in the Council Chambers of the City Hall.

VETERANS' GROUPS RISE TO DEFENSE OF UN FLAG

Two Sierra Madre veterans organizations rose up in defense of the United Nations Flag this week and denounced efforts of the "certain element in the city" which seeks to oust the banner from the City Hall Council Chambers.

But J. Caden Jenkins, 259 E. Grandview, who admitted he was "the certain element," continued to wage his private war against the UN flag.

Mr. Jenkins said Tuesday night that he "personally would be delighted to see it (the flag donated by the local VFW Post) folded up and placed in a drawer until United Nations Day."

On Dec. 26, the City Council asked the VFW to give its recommendation on "proper etiquette" for flying the banner after Mr. Jenkins, who described it as "an upside-down bottle cap," had protested its flying on an equal par with the United States Flag.

Mr. Jenkins said Tuesday, however, that his "squawk" was with having the UN, US, and State Flags flying together—not his personal opinion of the UNO.

The Council had received a letter from the American Legion Auxiliary, stating the organization's opposition to the flag being removed from the City Hall for the following reasons:

"1. Our troops are now fighting a war against Communism under this flag; 2. A local boy and the husband of a local girl have given their lives fighting for this cause; and 3. We feel the UN is correct in principle

SCHOOL DISTRICT PROPOSES 30-CENT TAX RATE INCREASE

Col. Thurber Named Officer In State Corps

Col. Walter D. Thurber, 470 Manzanita, has been appointed public information officer of

COL. WALTER D. THURBER
... back in service

the California Defense and Security Corps.

The appointment came "by direction of the governor and by order of Maj. Gen. Curtis D. O'Sullivan." The communication was dated Jan. 17, and Colonel Thurber reported Monday.

Although his orders said he is assigned to the state headquarters of the CD and SC in Sacramento, it was not immediately known whether the colonel will actually be stationed in Sacramento or in the Southland.

Colonel Thurber has been active in the Sierra Madre Company of the CD and SC and in local Civilian Defense work. He was chairman of the Sierra Madre Crusade for Freedom.

Emergency Measure to Be for One Year Only

A special election to increase for one year the Sierra Madre Elementary School District tax rate was proposed last week by Superintendent Charles A. Skutt.

The proposed increase of 30 cents per \$100 assessed valuation was described as an emergency measure necessary to meet the higher costs of building the school's four new classrooms.

Mr. Skutt informally presented the proposal at last Thursday night's regular meeting of the Sierra Madre Parent-Teacher Association. The School Board is expected to set a date for the election at its next meeting or early in February.

But the school superintendent said the election probably will be "within 60 days."

Mr. Skutt pointed out that the new building already is costing \$12,000 more than the \$86,000 voted as a bond issue last year.

And an additional \$12,000 will be required to complete the project. Funds still needed are an estimated \$2000 for site development (property on Auburn, including underground electric line); \$200 for decks for the new classrooms; \$4500 for purchase of the Davis property; and \$3500 for a garage.

Based on an assessed valuation of \$8,345,500 for the district, the 30-cent tax rate increase would yield approximately \$24,000 needed, Mr. Skutt said.

CHARLES A. SKUTT
... presents proposal

crease for one year would yield approximately the \$24,000 needed, Mr. Skutt said.

Still Openings In Red Cross 1st Aid Class

There still are openings in the first of a series of five-week first aid instruction courses being offered by the Sierra Madre American Red Cross Chapter.

Although primarily intended for Civilian Defense block wardens, other Sierra Madreans are invited to register also, Harry Lange, first aid chairman, said yesterday.

The class will meet Wednesday evenings, starting Feb. 7, at 7 o'clock in the City Hall Council Chambers. Instructor is Robert Curry.

By yesterday morning 35 citizens had registered for the class. There is room for a total of 40 according to Mr. Lange. Sign-ups should be made with Mr. Lange or at the Red Cross Chapter House.

ARC Officials Map Strategy For Campaign

"Mobilization for Defense" was the theme of a Pacific Area American Red Cross planning meeting held Monday at the Pasadena Elks' Club.

Twelve representatives of the Sierra Madre ARC Chapter attended the meeting which combined defense mobilization plans with preparation for the 1951 Fund Campaign which opens on March 1.

Addressing the area Red Cross officials was Gen. David Sarnoff, 1951 National Fund Chairman. General Sarnoff is chairman of the board of directors of Radio Corporation of America.

Other nationally-known leaders taking part in the planning session were James T. Nicholson, vice-president of the Amer-

—Turn to page 4

Council By-Passes Drain Complaint

"No, thanks, we'll stay out of it."

That, in effect, was the response City Councilmen gave W. L. Waterman Tuesday night when he sought relief from a water drainage problem where he is building at 1040 W. Orange Grove.

The Council thought the matter should properly be handled by the city of Arcadia.

"If Sierra Madre did anything about it (the unretained rain water which Mr. Waterman says has washed out 40 feet of his property), that would be an admission of liability," Councilman Henry Korsmeier stated.

City Gets Only 2 Bids For Rubbish Deal

Only two bids were received by the City Council Tuesday night for a combustible rubbish contract—a contract with which the city hopes to end its own rubbish pickup service.

The two bidders were the Monterey Disposal Company and John Avedesian. City Councilmen referred both bids to the acting director of public works for study and report.

Mr. Avedesian appeared to be the low bidder under the three classifications or "methods"—possible—loose material, boxed and bailed, and private billing by the contractor.

He bid 78 cents for the first 2 cubic yards per residential water meter per month under "Method A," 70 cents per meter under "Method B," and 65 cents under "Method C."

The Monterey Disposal Company bid 96.75 cents under "A" and 87.45 under "B" for the first 2 cubic yards of rubbish collected. The company did not bid on "C"—the private billing by contractor method.

Sierra Madre has had no combustible rubbish contract since Nov. 30, when the one with Ben Kazarian expired. During the interim, the city has been doing its own pickup and hauling service to Monterey Park.

Lions Founder To Induct Local Men

Melvin Jones, founder of Lions International, will induct three Sierra Madreans into the local club during a special meeting Friday night, Jan. 26, at the Pasadena Elks Clubhouse.

The induction ceremonies will be conducted for several clubs in the Southland, with Mr. Jones officiating for all. The three new members for the Sierra Madre Club are Carl Lotze, Alfred Feadler, and Dick Meriman.

Members of the Pasadena Lions Club will serve as hosts for the zone meeting which was called in honor of Mr. Jones.

Thursday's regular meeting of the local club will be a "dark night," according to Sterling T. Ripple, president.

Civilian Defense Council To Call All-City Meeting

With Sierra Madre, and every other American community, facing the threat of unknown disaster as a result of world-wide Communist aggression, an important meeting is being arranged for all men and women of this city.

The meeting is under the auspices of the Sierra Madre Council for Civilian Defense. It will take the form of a "panel discussion" in which questions proposed by those in the audience will be answered by the several division chiefs of the council.

The council will take the opportunity to report to the community on the various steps which have been taken or which are underway to conserve the lives, the safety and the health of Sierra Madre citizens and their families.

Just what is to be done to provide and equip casualty stations, to assure Sierra Madre of at least enough water for drinking purposes, to allay possible panic if and when the blows fall, to protect the local installations vital to the life of the community, and many other important matters will be reported on and discussed at this meeting.

Date and place of the meeting had not been determined as this issue of the NEWS went to press, but it will in the near future. It was believed desirable to give at least this much advance notice pending decision on some of the important details.

Since the council is working without compensation for the welfare of every man, woman, and child in Sierra Madre, and in view of the urgency of the approaching emergency, it expects a "crowded house" at the meeting. Watch for details in next week's NEWS.

Coordinating Council Tells Recreation Survey Progress

At the last Coordinating Council meeting on Dec. 5, a general discussion on Sierra Madre recreation was conducted. At the climax of the meeting, it was suggested that the council make a survey and find out what the citizens wish for future recreation.

The board has held several meetings to discuss how the survey could be carried out to best advantage. Many people and organizations have offered to help, including the Sierra Madre P.T.A.

However, the board does not wish to assume all responsibility for the questionnaire. It, therefore, is not completing the set of questions until after the next general meeting of the Coordinating Council, Feb. 6, at which time at least an hour of the session will be devoted to discussing these questions. Mrs. Charles James is chairman of the Question Committee.

A few people have stated that, because of the present emergency, it will be hard to get Sierra Madreans interested in recreation. Milton Goldberg caused the CC board to look at the situation in just the opposite light during its last meeting.

Mr. Goldberg is district chairman for Sierra Madre of the San Gabriel Valley Boy Scout Council and chairman of the youth services division of the Los Angeles Welfare Committee.

He pointed out that at a time like this, recreation is more vital to the citizens and youth than ever. Recreation does not mean merely playing games and filling in leisure hours; it should be looked upon as time spent in character building, forming ideals, and re-creating personalities.

According to Mr. Goldberg,

there is no better way to fight Communism on the home front than to keep member organizations of the council strong and working "full steam ahead." During the last war, the loss of youth leaders was pathetic indeed, he said.

"We must not let this happen again," Mr. Goldberg declared.

He quoted Dr. M. E. Herriott, president of the Community Coordinating Councils of the county, as stating at a Civil Defense meeting last week that it is not a question of "either, or," but "both." Civic leaders should take a more exciting job with Civilian Defenses, but certainly should not drop the less glamorous jobs at home.

The following is a summary of "The Appraisal of Public Recreation Services in Sierra Madre, conducted in February of 1949 by the State of California Recreation Commission, Sterling Winans, director." The summary was prepared by School Superintendent Charles A. Skutt.

"The Mayor and City Council are congratulated upon the appointment of outstanding citizens to the Recreation Commission, who have given generously of their time and effort. The program of activities as carried on under the direction of the part-time director is commendable. The high type of leadership and well-planned program of the various youth agencies are a credit to the community. Ideal facilities are available in the City Park, the Water Dept. and city owned property in Bailey Canyon, the City school and playground. There is fine Community Cooperation.

"RECOMMENDATIONS: Amend Ordinance No. 445 to make it mandatory that the School Superintendent and the Mayor be ex-officio members of the Recreation Commission. The City Council should make a contract agreement with the City School District regarding the responsibility of each party in providing recreation services.

"PROGRAM: Make a survey of recreation interests of students and increase scope to meet these interests. Organize at City School. Increase community wide activities: Kite contests, Little Theatre, pet shows, etc. Organize boys'

club activities at school around specific interests: dramatics, model aircraft, puppetry, dancing, ceramics. Part-time paid leaders to be used. Co-operate with Adult Education Dept. in developing night-school crafts baseball program during summer. Plan a day-camping program at the City Water Dept. Property. Develop a high school age program at the City School, using their own Youth Council as advisors.

"PERSONNEL: Provide Recreation Leadership at City school after school, Saturdays, and during school vacations. Appoint a woman playground director to carry on a program of activities for smaller children and girls at the City Park during the summer.

"FACILITIES: Remodel dressing rooms at Swimming Pool, so they can be used as community center when pool is closed. Plan a new pool near the Youth Hut. At the City Park: Relocate the children's playground equipment next to pre-school play area. Convert lily pond into wading-pool. Convert playground area into picnic site. Determine possibility of purchasing property now surrounded by the Park, and converting the house into a recreation center. Plan a community park at the City Water Dept. site. City and County could jointly develop Baily Canon. Plan neighborhood park adjacent to school areas to be developed later.

"FINANCES: City Council and School District should continue the joint financing of the recreation program, and get available financial assistance from the County. Investigate possibility: Float a bond issue to cover the cost of new park developments and new pool. Increase the budget of recreation dept. about \$2500.00 for additional leadership.

"GENERAL: The Recreation Commission and the Youth-serving agencies should assist in the organization of a Community Co-ordinating Council with representatives from the City, schools, service clubs, churches, civic clubs, and patriotic organizations.

"The Report concludes with many specific suggestions as to the improvement of present facilities and leadership, including a model 'Agreement Between City and School.'

(Editor's note: Next week, the NEWS will present a list of the recreation facilities Sierra Madre now has. Then, on Feb. 8, watch for the recreation questionnaire.)

FESTIVAL QUEEN—Beautiful Elna Miller, who reigned as Queen Scheherazade over last season's colorful Riverside County Fair & National Date Festival, invites visitors for a date at the 1951 event to be staged at the County Fairgrounds, Indio, Calif. on Feb. 16-22, inclusive. New 1951 Queen will be picked in gala ceremonies on opening day of festival.

Local Residents To Attend GOP Group Meeting

Mrs. Noren Eaton and J. Caden Jenkins, Sierra Madre representatives on the Republican State Central Committee, will attend the Jan. 27-28 meeting of the full State Committee to be held at the St. Francis Hotel, San Francisco.

The program will include an opening address by Gov. Earl Warren on Saturday afternoon, followed by meetings of the newly-appointed statewide working committees. Mrs. Eaton has been appointed to the publicity and research committee.

Lt. Gov. Goodwin J. Knight will be one of the featured speakers at the full committee meeting Sunday. The committee hopes Sen. Richard M. Nixon may find it possible to leave Washington long enough to be an honored guest speaker.

City Employees Take Closer Look At Social Security

Sierra Madre's city employees have voted to postpone joining the Social Security system until more information is received from Sacramento.

City Clerk Lawrence B. Brain said the employees met last week with a representative of the Social Security Authority. He reported, however, that several questions still were left unanswered after the discussion, including the effect joining the SS system might have on a possible mandatory retirement set-up for policemen and firemen.

Mr. Brain will contact the state finance director in Sacramento for a clarification of provisions under the act.

WOMEN PLAN WORLD DAY OF PRAYER RITES

A retreat for committee workers preparing for the World Day of Prayer observances on Friday, Feb. 9, was held recently at the Holliston Methodist Church in Pasadena.

This city was represented by Mrs. Gordon Brooks, Mrs. Gertrude Embree, Mrs. J. Andrew Hall and Mrs. Emma Wright.

During the annual meeting of the Pasadena Chapter of United Church Women, held in the afternoon, Mrs. Wright was installed as vice-president.

Mrs. Wright, 205 N. Baldwin, has lived in Sierra Madre since November of last year. For many years she was a resident of Altadena.

Your time is not as valuable as life.

Master of Lodge Given Two Gavel

After he was installed 1951 worshipful master of Sierra Madre Lodge No. 408, F. and A.M., last Wednesday, John C. Mead was presented not one but two gavels.

The first one was presented by his wife—a rosewood gavel given by Rose Mead.

The second, made from cocobola wood from Panama, was presented by M. Edward Hinton, worthy patron of the Sierra Madre Order of Eastern Star.

Judge Mead graciously accepted the two gavels and said one would be dedicated to his first term as master (1948) and the other to this coming year.

"Which gavel is for which year is something I will keep to myself," he quipped.

Goldberg Helps Survey On Camping

Milton Goldberg, 590 Ramona, and Mrs. Enid Case have just completed leadership of a three-year survey of camps and campers in the Los Angeles area.

From their efforts is expected to develop greater opportunity for more youth to enjoy camping in the area. Mr. Goldberg and Mrs. Case are co-chairmen of the Camping Committee of the Welfare Council of Metropolitan Los Angeles.

Always a desirable and necessary experience for all children, camping is now more than ever important from the viewpoint of mental health because of the pressures of modern civilization, according to youth workers.

Among the major facts determined from the survey, it was found children of "less chance" areas make less use of camping facilities than more privileged youngsters, largely because of expense involved, even though many camps are run on a non-profit basis. There is a great need for "camperships" for this group, according to Mr. Goldberg.

MUIR COEDS NAMED TO 'SERENADERS'

Four Sierra Madre coeds were appointed last week to "The Serenaders," student choral group at John Muir College.

The girls are Diane Armstrong, Beverly Stundin, Bobbie Cox, and Dixie Martin.

Former Guardsmen Begin New Phase of Training

Southern California's 40th Infantry Division, which includes Sierra Madre's company, embarked Monday on a new phase of training which will include combined arms and air-ground operations.

Last Friday, the former National Guardsmen completed preliminary portions of their training which will include combat readiness which covered basic and advanced individual training in weapons, target range practice, map reading, military justice, principles of combat skills such as scouting and patrolling, sanitation, first aid, interior guard, and squad tactics.

According to Maj. Gen. Daniel H. Hudelson, commander, Monday saw the start of 13 weeks of squad, platoon, company, and battalion exercises. "All troops will spend a great

Diocese Plans New Parish

The Los Angeles Roman Catholic Diocese has announced plans for the establishment of a new Parish to serve the rapidly growing East Pasadena and Hastings Ranch areas.

The recently purchased site is at Orange Grove avenue and Sierra Madre boulevard, and present plans call for erection of a \$100,000 building as well as future plans for a school, rectory and convent.

To be known as Our Lady of the Assumption Parish, the new church will include parishoners now served by St. Rita's in Sierra Madre, St. Phillip's in Pasadena and St. Elizabeth's in Altadena.

Rev. Smith to Attend Ministers' Annual Convocation

The Rev. Carl Smith, minister of the First Congregational Church, will attend the third annual Ministers' Convocation at the University of Southern California Jan. 30, 31, and Feb. 1.

Nearly 650 Protestant ministers from cities throughout the Southland are expected at the convocation, largest of its kind in the West.

The three-day meeting again will be co-sponsored by the SC School of Religion and the Southern California Council of Protestant Churches. Theme will be "Through World Crisis to World Community."

'Mountain Lion' Story Tells Fight for Survival

(Last week, the NEWS presented the first installment of "The Mountain Lion" story written by Sierra Madreon Percy L. Bonebrake. After having hunted mountain lions and other wild game for many years, Mr. Bonebrake reverses the situation in this adventure story and describes the lion's continuous struggle for survival—written from the point of view of the lion.)

BY P. L. BONEBRAKE

The kittens, a tom and his sister, had never been out of the cave, where, not so many days before, they had been born, and where, more recently, their newly-opened eyes had been adjusting themselves to the dim light. Now the two youngsters were fairly active on their feet, and always ready for a play. They could not yet recognize their mother even though she was beginning to bring portions of the kills to them. Of all the meat they were privileged to taste, the kittens liked best the taste of colt meat, with deer meat second, and veal or beef least of all.

Very soon after the mother's first taste of goat meat, she weaned the cubs. They were about three months old, and ready for training. One warm, sunny afternoon, they followed their mother outside, blinking and fearful. But soon they were rolling and playing while the mother stood guard atop a

high rock. The sun brought forth the beauty of her form, and of her tawny yellow coat, fading to fawn, almost white on her belly. Her muzzle was black, and the tip of her tail was black, while two black lines ran down the corners of her upper jaw. Her length was eight and one-half feet, and her weight was about one hundred and eighty-five pounds. Muscles rippled under her skin with her every movement. She was never completely at rest, for her ears and her tail and her nose moved incessantly, indicating her constant alertness to possible danger.

One day, while thus watching her offspring, the old lioness gave a low growl. Instantly, all play ceased, at a second warning, the cubs scampered into the cave. The mother fixed her gaze on the creek until she saw a burro and its colt come wandering into view. Silently and quickly, she left the rock and made her way toward them. She took advan-

tage of every bush, tree and rock until she had come within fifty feet of the unwary pair as they stood, with lowered heads, drinking. With muscles tense, and tail twitching, the lion crouched low, paused a moment, and then rushed toward her quarry. The mother burro started to run, but her baby clumsily fell over the rocks and the next instant, lay limp as the powerful jaws of the lion broke its spine.

The lion picked up the little burro in her mouth and carried it to the cave where she and the young ones ate their fill but not before Tom had been sent sprawling when one of the burro colt's feet struck out spasmodically and hit him in the side. And so Tom learned to be cautious, as he also learned rapidly to creep and crouch, and to take advantage of natural cover in stalking prey. While he and his sister had watched their mother kill deer, and some calves, they had caught nothing larger than a rabbit. But the two were growing fast, and were becoming more and more like their mother in appearance. They thought nothing of wandering ten or twelve miles every night, sleeping in such hidden places as they might find as daylight overtook them. Yes, they were becoming experienced and wise, but yet they did not know how wise and resourceful was their enemy, Pedro Gonzales.

First, the goat herder found the carcass of the old goat doe atop the ridge near which he had spent a night with his flock of goats. Then he had searched in vain for the little burro colt that so suddenly became lost. And now, time and again, Pedro had been awakened in the night by the bleating and milling around of terrified goats only to find when he arrived among them that lions had wantonly killed many more than they possibly could eat in one night. Pedro cursed, and then he grinned and promised revenge when his employer brought him another dog and some traps, and an offer of \$10 for each lion he killed.

Before dawn one morning, when it was cold and frosty, Tom, his mother and his sister, leaped the fence enclosing the goat camp and had killed several goats when Pedro, accompanied by his dog, came running down to the corral, gun in hand. The lions jumped out, Tom's mother bearing a goat, and ran to the mountain canyon from whence they had come. Picking up the scent, the dogs sped in pursuit. The heavy, damp frost made trailing easy, and the dog gained so rapidly that the mother lion was forced to drop her kill. At last the hard-pressed lions sought refuge on the branches of some pine trees, Tom and his sister in one tree, and their mother on a tree some fifty yards away. The young ones clung in terror to their perches as they watched the dog leaping and barking beneath the limb where their mother was stretched a bare eighteen feet above the ground. And then came Pedro with his gun, and the youngsters saw their mother fall as the gun spat fire.

The shot brought some cow men riding up from a round-up camp.

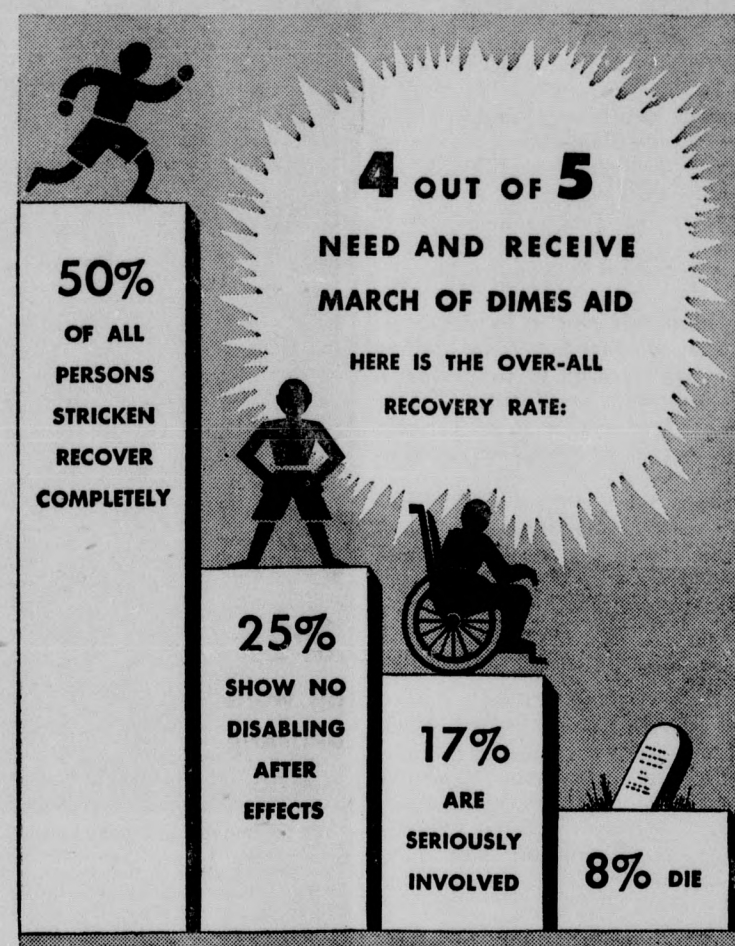

"Well, she'll never eat any more of our colts or calves," remarked one of the men who was owner of the largest outfit in the neighborhood.

Thereupon, he gave Pedro ten dollars and promised him the same amount for every lion or wolf he killed on that range.

Tom and his sister remained in their tree for several hours after Pedro's departure. Once, Tom started down, but the harsh call of a Blue Jay sent him scurrying back. When they were again on the ground, they remained close to their dead mother, expecting her at any time to lead them away. Not until they heard the men coming again up the canyon did they steal silently away through the timber.

(To be continued)

WHEN POLIO STRIKES

During three successive years polio has struck over 100,000 children and adults in the United States. Patient care has cost the National Foundation for Infantile Paralysis \$58,000,000. Since the first March of Dimes in 1938, this cost has amounted to \$94,000,000. Depending upon the degree of involvement, patient care ranges from a few hundred dollars to \$15,000, even \$20,000 and more. March of Dimes-supported scientists are hard at work seeking a preventive and methods to eliminate crippling after-effects.

Mulholland to Speak Sunday

Next Sunday morning's message at Bethany Church, on the subject "The World's Greatest Race," will be brought by Dewey Mulholland.

Mr. Mulholland, assistant pastor at Bethany during the past 2½ years, is in his senior year at Fuller Theological Seminary in Pasadena. At present, he is taking over many of the responsibilities at Bethany Church until a new minister is secured.

In the evening, a natural-color film, entitled "China Challenge," will be shown at 7:30 o'clock. Depicting many aspects of life in war-torn China, the film was produced by Dr. Bob Pierce, prominent leader in Youth for Christ International.

Dr. Pierce recently returned from Korea where he took part in a State Department-sponsored survey of the religious situation in Korea. "China Challenge," according to Mr. Mulholland, presents many of the heights and depths of Chinese culture. The starving, blind and leprous are viewed in contrast with the wealthy, the educated, and religious.

All Sierra Madreans are invited to this special showing of the film Sunday night.

Francis Truba Undergoes Surgery

Francis Truba, local gardener, is convalescing after undergoing surgery Monday, Jan. 15, at the Paradise Valley Sanitarium Hospital in National City.

Mr. Turba was in the hospital for six days and says he'll have to "take it easy" and not do gardening for approximately two months.

New Term Due for Pre-School Group

The Pre-School Group, which meets Monday mornings from 9 to 12 at the City Park, will begin its new term Feb. 5.

Sierra Madre parents are invited to enroll with their pre-school age children for this weekly educational-play experience.

The Pre-School Group is a part of the Pasadena City Schools Adult Education program.

WOMAN'S CLUB RUMMAGE SALE SET WEDNESDAY

Articles of all types will be offered for sale next Wednesday, Jan. 31, during a rummage sale sponsored by the Sierra Madre Woman's Club.

The sale will open at 10 a.m. and continue all day at the Woman's Clubhouse on West Sierra Madre boulevard, according to Mrs. Percy Kortkamp.

JEWISH WOMEN'S LUNCHEON DUE

Following an annual custom, members of the Women's Division of Foothill Jewish Community Center, 212 N. Lima, will be entertained at a luncheon card party next Tuesday, Jan. 30, at the home of Mrs. Esther Hermanson, 520 Campesina Road, Arcadia.

Anyone interested in joining the organization and attending the luncheon, which begins at 12 noon, will be welcome if his dues are paid up prior to Jan. 30.

Miss Bissell Wins Honor at Whittier

Georgiana Bissell, daughter of Mrs. May Bissell, 326 N. Sunnyside, has been elected marshal of the Ionian Society, one of the five societies for women at Whittier College. It was announced at the Poet school this week.

A graduate of Monrovia-Arcadia-Duarte High School, Miss Bissell was president of the Tennis Club and active in class and social affairs while there.

Since going to Whittier, she has been a member of the Rally Committee and Soseco Club. A sophomore, she is a physical education major.

Woman Fined \$25 For Drunkenness

Mrs. Deborah Maria Stark, 1697 San Pasqual, Pasadena, was fined \$25 Friday morning for drunkenness.

The woman was arrested Thursday night by Officer H. S. Embree, who stated that at the time of arrest, Mrs. Stark was "talking incoherently with the horses" in the barn at 2224 N. Santa Anita.

Churchmen Attend LA Diocese Meet

The Rev. Harley Gibbs Smith Jr., rector of Church of the Ascension, is heading a delegation of Sierra Madreans to the 56th annual convention of the Episcopal diocese of Los Angeles, being held in that city.

Accompanying Father Smith are Charles Hall Perry, Charles Wood, and Ogden H. Neely, regular lay delegates. Alternates are Otho G. Lord, Robert Lake, and Woodrow Mecca.

The convention began Tuesday, Jan. 23, and will end tomorrow, Jan. 26. Attendance includes 175 rectors and vicars and 350 lay delegates from the Southland. Sessions are being held at St. Paul's Cathedral and Good Samaritan Hospital.

Council Chambers Gets New Flags

The City Hall Council Chambers is now graced by two new flags, a United States Flag and State of California Flag.

Both are made of a shimmering rayon-taffeta material and have individual standards. They were installed by Purchasing Agent Lawrence B. Brain last week.

Kiwanis Reports 'Good Turnout' For Ladies' Night

A "good turnout" of Kiwanians and their wives was reported for the Ladies' Night dinner Tuesday at Pal-Mur Restaurant.

Guests of honor at the event were charter members of the Sierra Madre Kiwanis Club. Charles A. Skutt, club president, said a "revolving canasta game" helped get the Kiwanians and women better acquainted during the evening. Chairman of the dinner was Dr. Milton Valois.

LONG DISTANCE... Before the Telephone

When America was young, certain forms of long distance communication, such as talking with smoke, were a matter of seeing rather than hearing. And at times—on rainy, snowy, or foggy days, for instance—the service must have been exceedingly poor.

Long Distance today is quite a different thing from what it used to be. Cross-country calls go through in a jiffy now, and reception is usually as clear as it is when you talk to a neighbor next door... and the cost of a coast to coast call is so low—only \$2.50 (plus tax) for three minutes, lower nights and Sundays. For a fast answer, use Long Distance.

An Editorial:

Civic Groups Urged to Take Action on New Court Set-up

Sierra Madre will lose its city police court next January. It will go as part of the inferior courts reorganization plan approved by the voters at the last general election through "Proposition 3." It was at this police court that you paid your parking and traffic fines. In 1952 you will have to go to another court—either a municipal or a justice court.

What court jurisdiction we join is important to every resident of Sierra Madre.

The only public transportation from this city is to Pasadena. There is none to Arcadia, Monrovia or Altadena. The general traveling habits of Sierra Madreans closely align us to Pasadena. If Sierra Madre were joined to any area but Pasadena in the consolidation of the lower courts, it would work a great hardship on many of this city's residents and a great inconvenience on nearly all.

The Chamber of Commerce has been the first to urge the State Judicial Council and the Board of Supervisors, to which the Council will make recommendations, to include this city in the proposed expanded Pasadena Municipal Court.

Other organizations of Sierra Madre are urged to take similar action.

ARC OFFICERS

From page one ing were Mr. and Mrs. R. C. Lewis; Carl Hansen, 1951 local Arcadian National Red Cross; Raymond H. Barrows, Pacific Area Manager of Red Cross; Robert F. Shea, deputy manager of the Pacific Area; and Gen. Walter M. Robertson, director of Civilian Defense for the state of California.

Sierra Madreans at the meet-

ing were Mr. and Mrs. R. C. Lewis; Carl Hansen, 1951 local Arcadian National Red Cross; Raymond H. Barrows, Pacific Area Manager of Red Cross; Robert F. Shea, deputy manager of the Pacific Area; and Gen. Walter M. Robertson, director of Civilian Defense for the state of California.

Only private dining room on wheels in the world is seen in this top photo of the new Turquoise Room featured in the new dome cars of the Santa Fe Railway which begin operation on the Super Chief January 28th. The Turquoise Room is for private cocktail and dinner parties. Features of the room are the turquoise, silver and gold decorative treatment, consisting of golden tint plate mirrors, gold colored draperies, turquoise carpeting and accented type sliding doors.

The lower picture shows the Pleasure Dome, part of the same car going into service on the Super Chief. The dome accommodates sixteen passengers and the seats revolve to suit the convenience of the passengers.

From page one VETERANS' GROUPS

United States Flag, but I see no reason why the UN Flag can't fly in the Council Chambers of Sierra Madre when the President says it's all right, and it flies in all these other places.

"Why can't we on the mountain side, in Sierra Madre, go along with the rest of the United States?" Mayor Kinney asked sharply.

The Councilmen referred the matter to the committee as a whole, pending official instructions on proper etiquette for the UN Flag.

In the meantime, it was not on display in the Council Chambers yesterday.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B₁, B₂, Niacin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 263, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good."

Notice!

Anyone interested in the effort to re-zone a portion of residential property on West Sierra Madre Blvd.—the main approach into our beloved Sierra Madre, from a Residence Zone to a Manufacturing Zone, please attend the meeting at the City Hall, Thurs., Jan. 25, 1951, at 8 p. m., and voice your objections. This property has nice well-kept residences on it. Keep it that way. Don't let them ruin our beautiful city. . .

POLICE BLOTTER

Because of the shortage of parking space, it is not unusual to receive calls from the Canyon area regarding cars parked on private property. There is a law agin' it. Don't do it!

School children while waiting for the school bus do mischief. A school bus driver is reported going too fast. Passing a sedan, the bus splashed water every direction.

Photographers taking pictures without license are brought in and pay the amount. Rubbish pile reported as being attractive to rats. Let's not let the four-legged ones get us—we have the others.

Burglary! . . . Dog bite. . . A photographer picked the wrong house when he called on Tex Gotcher. Tex found that the fellow had no license.

Woman fell as she stepped off the curb. A doctor left his office window open. He may find a patient waiting for him when he opens up. A suspicious car is found to be on the street for sale. Ordered removed. When he trimmed his trees, he not only cut the entire top of the trees out, but he dragged them into the street. Of course he was told that was improper.

A FIRE CALL! A wastebasket fire—possibly a simmering cigarette thrown in among the papers. Luckily, the damage was slight.

When she speeded down the grade at the semi-circle along the Santa Anita Road, she failed to make the turn. The car was found hanging over the cliff. She was found wandering around a resident's yard. She spent the night in the Pasadena jail. "Vodka" was responsible.

Householder reported neighbor's chickens too close to the street. They were . . . He was found in his car asleep. Along with him was some of that famous sleep-producing wine. The judge took care of the matter.

Dog bite. A small boy was brought to the station. He was far from home. "Twasn't long before mamma called."

An ambulance call. Dog bite. Paul Bird brought in a suspicious character. He had a reason.

A Canyon mother called for help to locate her two very small children. In less than two minutes the children were found toddling along the street. Mothers (and daddies) are asked to call the police early when children wander off or are missing. Give a good description.

Boulevard stops are meant to protect drivers from the other drivers. Protect yourself.

Cub Scouts Receive Awards At Monthly Pack Meeting

Cub Scouting awards were presented 17 boys of Cub Pack 1 last Friday night during the monthly pack meeting at the school auditorium.

The advancement awards were presented by Marcus Woodward, Cubmaster. Cubs honored were:

Den 1.—Jack Burr, BSA; Den 3.—William Harris, LGA; Den 4.—Jon Dale Butah, wolf badge and 1-year star; Richard Dewey, wolf badge WGA-2 WSA; Michael Dewey, lion badge—LGA-3 LSA; Peter Ward, wolf badge, WGA-2 WSA; Marc Yaskin, bear badge and 1-year star; Garner Graves, one year star;

Den 5.—Norman Vangen, BSA; Ralph Steele, BSA; Bruce Brunstad, Denner stripes; Gerald

Mackanic, assistant denner stripe; Den 6.—Richard Eyre, 4 WSA; Douglas Berkshire, wolf badge; Francis Trowbridge, wolf badge; William Hardwick, denner stripes; George Gruber, assistant denner stripe; Den 7.—Peter James, BGA, BSA.

During the program, a certificate of appreciation was presented Mrs. Louise Willis, retiring den mother of Den 3. Mrs. Elizabeth Forster was introduced as the new mother for Den 3 and was awarded a den-mother's pin.

Cubmaster Woodward showed his slides of the 1949 and 1950 Rose Parades and of the Boy Scout Caravan last year.

Lawrence Perry, new neighborhood commissioner was introduced.

Edith Crowell Will Wed Monrovia Man

Announcement of plans for the forthcoming marriage of their daughter, Edith Crowell, are being made by Mr. and Mrs. Robert Crowell of 441 Ramona avenue.

Miss Crowell will marry Clarence Gordon Freeman, of Monrovia, on Saturday, Feb. 4, at 4 o'clock. The services will be held in the Sierra Madre Congregational Church. The Rev. Carl Smith will officiate.

Mr. Freeman is now an employee of the Crest Molded Products, Inc., in Arcadia.

Beesemeyers on Winter Holiday

Mr. and Mrs. William Beesemeyer Jr. of 620 E. Sierra Madre boulevard are spending a winter holiday at Monte Vista Guest Ranch in Wickenburg, Arizona.

NAZARENE RALLY

An inspirational Sunday School day rally will be held in Covina, Friday night, Jan. 26, for the seven Nazarene churches in this area.

THAYER-DIXON RITES SATURDAY

The wedding of Jeanette Whitman Thayer to Walter Bernard Dixon will be solemnized, on Saturday, Jan. 27, at 8 o'clock in the First Congregational Church of Sierra Madre. Ceremonies will be conducted by the Rev. Carl Smith, and a reception will follow at the church.

CIVIC CLUB BI-MONTHLY MEETING DUE

The Civic Club will hold its bi-monthly meeting at the home of Mrs. Dan Parker, 175 E. Sierra Madre boulevard, on Thursday night at 8 o'clock. Mrs. Jean Tate, president, will preside during the business meeting and program.

GROTHS END DESERT TRIP

Mrs. George W. Groth Jr. and small daughter, Christine, of 147 N. Baldwin avenue, returned recently from a week's desert vacation spent at Joshua Trees near Palm Springs where they were the guests of Mr. and Mrs. Reed E. Sturdevant.

Mr. and Mrs. Yoshiro Hatada, 219 N. Grove avenue, are the parents of a son born Jan. 13 at St. Luke hospital.

Conner Casewell is the name that has been given to the new daughter of Mr. and Mrs. Richard B. Casewell, 639 E. Orange Grove avenue, Sierra Madre.
Born Jan. 10 at St. Luke Hospital, she is the sister of three older brothers.

Remodeling of Nazarene Church Nearly Complete

Members of the Church of the Nazarene of Sierra Madre will be pleased to know that the past year's remodeling and redecoration of their church is nearly completed, with the laying of new carpets this past week, Rev. O. G. Burlison announced.

A new communion rail of Philippine mahogany, being built by a member of the church, Chester Bass, also will be in use in the near future.

NO ONE IN CITY COURT

Sierra Madre's new court clerk, Mrs. Eliese Rickman, didn't get much practice in her new job Saturday. There were no traffic violators in city court.

Mrs. Rickman was employed by the city last week to fill the job vacated by Mrs. Ruth Custer's resignation.

Interest Shown In Small Homes

Much interest is being shown these days in the small homes being built by John Fergus for A. L. Suman in Cypress Court. According to Mr. Suman, the structures are designed especially for people "who are tired of big houses, big lots, and big costs."

DESKS SHIFTED AT CITY HALL

Notice anything different at the City Hall? Arrangement of the desks was changed last week to give a more spacious appearance to the front office. City Clerk Lawrence ("Buzz") Brain said the rearrangement was undertaken to "streamline" the office.

NEW RESIDENTS

New Sierra Madre residents are Mrs. Rosemary DeCarle, daughter, Donna, and son, Donalyn. Formerly of Pasadena, where Donalyn is a student at PCC, the DeCarles are living at 716 Woodland Drive.

VENTURA VISITORS

Mr. and Mrs. Frank Miles of Ventura visited Sunday afternoon, Jan. 21, with Thomas J. Jackson, 188 E. Sierra Madre boulevard.

HOSPITAL PATIENT

Mrs. Avis Wyman underwent treatment last week at St. Luke Hospital. She entered the hospital Thursday. Mrs. Wyman who lives at 31 East Miramonte returned home Monday.

Business letterheads are a specialty at the Sierra Madre News.

Be a good neighbor on the highway.

A prayer for our Soldiers

BY MAJOR GENERAL ROY H. PARKER
Chief of Chaplains, United States Army

Almighty God, the Creator and Preserver of all mankind, we commend to Thy special care and keeping those serving in our Army. Though they be in the midst of dangers, O Thou send Thy guardian angels for their protection. Walk beside them as they go through the valley of the shadow of death.

Knowing that all good things come from Thee, grant them courage and loyalty, through a firm faith in freedom's cause, in the present conflict. When sacrifices are called for, let them be made in the knowledge that Thou art the rewarder of Thy servants. Enable them to live valiantly and serve nobly, in the full realization that no man liveth unto himself. Grant them clear minds, strong bodies, resolute wills, and pure hearts free from hatred and bitterness, renewing them each and every day with strength, like strong men of old, who against enthroned wrong stood with confidence and courage.

Awaken in them a lively faith that will keep them close to Thee. Enable them to rest their cause upon Thy Word that though the foe be strong, yet knowing the cause as they battle for the right, they can never fail. Fill their hearts with the assurance that with Thee nothing is impossible and that all things work together for good to them that love Thee.

If it be Thy will that injuries be sustained, let them experience the touch of Thy healing hand and do Thou bless the means and the ministries employed for the restoration of their health.

In these difficult times, when the forces of evil are running rampant and many hopes seem about to be crushed, fill their hearts with an abiding sense of Thy reality and the certainty of Thy continual presence. Enable them to look to Thee when loneliness and longing overtake them; fulfill their yearnings by granting them Thine own companionship and fellowship. Enable them to realize the full meaning of Thy promise, "Lo, I am with you always."

Thou who are the Protector and Helper as well as the Giver of victory, grant unto them every good gift of body and soul and unite us with them in faith and love unceasing. Amen.

W. Sillimans To Entertain 50 Guests

Mr. and Mrs. W. Warren Silliman Jr., former Sierra Madre residents, will entertain approximately 50 guests for dinner Saturday, Jan. 27, at their home, 3770 Landfair Road, Hastings Ranch.

Among the guests will be members of the 40-voice Pacific Electric Mixed Glee Club, of which Mr. Silliman is director. Other guests of honor will be members of the public relations department of Pacific Electric Railway Company.

Mr. and Mrs. Charles Wuergler, 35 S. Sunnyside, have been invited as special guests. Mr. Wuergler is a charter member of the Glee Club which was organized at Christmas time three years ago.

It's soft wrinkle-free clothes every time

WITH MY AUTOMATIC GAS CLOTHES DRYER

I used to hope for perfect drying weather every washday. Now I have it whenever I choose to wash. My automatic gas clothes dryer is so willing, so dependable. It dries my clothes in a matter of minutes, and all I do is toss them in, set the control, then take them out. Could anything be easier?

My automatic gas clothes dryer is so gentle. It doesn't fray hems. It eliminates sun-fading. My bath towels come out wonderfully soft and fluffy, ready to fold and put away. I no longer sprinkle clothes for ironing... merely set the control on my dryer to deliver them in perfect ironing condition.

Besides being faster, gas clothes drying is economical, too. The installed price of automatic gas clothes dryers is lower than that of other automatic types. The operating cost is also lower with gas... only 2¢ to 3¢ per dryer-full. If you see your dealer or Gas Company now, you can learn how to win an automatic gas clothes dryer in an easy contest.

THE MILKMAN

Errors Costly as VFW Nipped by Panthers 7-2

Suffering their second loss this year and the second Foothill League loss, the Sierra Madre VFW Raiders were humbled Sunday afternoon by the Los Angeles Cherubs, 7 to 2.

Errors by the usually-reliable Raiders were the deciding factor in the game. Although officially charged with only three errors, actually there were two others—both permitting unearned runs.

Stueve was charged with his second loss against 10 wins. Although striking out eight men in eight innings and giving no more than two hits in any inning, he issued eight bases on balls.

Had there been no errors and no walks, the game would have been a scoreless tie.

Two-base hits were collected by Reed (2) and Weinberger for the Cherubs, and Shepherd and Evans for the Raiders.

Gazella proved to be a bewildering pitcher for the Cherubs and allowed only six hits for the Raiders' two runs. Emirhanian was Sierra's Madre relief hurler in the ninth inning.

The local veterans missed the consistent clean-up batting of Howie Nielson, who has a batting average of .486. Howie was unable to play Sunday.

Next Sunday, the Raiders will meet the Los Angeles Panthers in another Foothill League contest. Sierra Madre has beaten the Panthers twice, but one of the games was a thriller, the score being 2-2 until the last of the ninth inning.

SPORTS ROUNDUP
by
RALPH (Val)
VALENCIA

DOWN THE LANES

Andy Liscomb paced the Sierra Madre Merchants Bowling team last Thursday night at Arcadia in the 850 scratch league with a high series of 534. Ernie Hayes also had a nice 524 series. Joe Murphy, Harry Mazzaro, Ed Myatt followed in the above order with 498, 465 and 451, respectively. Ralph Valencia took the night off from bowling, as he was having a private match with old man "flu." On last report, Val won and will be out again with the Merchants this week.

ON THE FAIRWAYS

When I left the Meadowlark Country Club, which lies just two miles north of Sunset Beach, the Sierra Madre golf team of the Monrovia Elks had a firm hold on second place, after chasing the little white ball over a hilly 6320 yards. Joe Murphy, Jerry Fairfield, Andy Liscomb and Ralph Valencia posted a team card of a net 281. The net scores of the above are as follows: J. Murphy 79, J. Fairfield 71, A. Liscomb 65 and R. Valencia 66.

George Larsen and Fred Klink, both members of our local golf team, were unable to participate in Sunday's match on account of previous engagements. Their presence was surely missed, both socially and divotly.

I will try to let you know the final outcome of this tournament as soon as the second flight finishes and posts their cards. Hope the local boys can hold their spot, as some 300 Elks were entered in this tournament.

ON THE DIAMOND

Through this column I wish to thank all the fans who answered the call for old lumber in last week's edition. You can rest assured it was greatly appreciated. We are still in need of several more sticks of lumber, so if any of you have failed to look in your back yard, please do so. And if you find anything we might use in the way of building material, call 5339 or Val at CUster 5-5562.

OUR DEMOCRACY—by Mat

A FRESH SLATE—

AT THE END OF THE OLD YEAR, IT IS AN ANCIENT AND HONORED CUSTOM IN AMERICA TO CAST UP ACCOUNTS AND TAKE STOCK OF WHERE WE STAND—AND TO START THE NEW YEAR WITH A FRESH SLATE.

OF COURSE WE CAN'T ALL, AS INDIVIDUALS, COMPLETELY BALANCE OUR ACCOUNTS—BUT WE CAN START WITH A FRESH SLATE TO WORK OUT BETTER, BRAVER PLANS FOR OUR FUTURE—TO PROVIDE GREATER SECURITY THROUGH LIFE INSURANCE AND SAVINGS FOR OUR FAMILIES—TO GAIN FOR OURSELVES GREATER OPPORTUNITIES AND SATISFACTIONS IN THE NEW YEAR.

I see the snack bar at the Larry Shepherd at Custer 5-ball park is now serving chili on the hot dogs. Come out and try some. Last Sunday the ball park was well filled, only a few vacant spots left, so come early. The game starts at 1:30.

BULL'S EYE NOTES

Santa Anita Rifle Club's final scores for 1950 season now being complete, I will give them to you as promised.

For the 30 MI Garand, 200-yard outside course (a possible 200):

South Dakotans

To Picnic Sunday

Annual winter picnic for former South Dakotans and their friends is scheduled for Sunday, Jan. 28, at Sycamore Grove Park in Los Angeles.

Glenn Whitney, president of the South Dakota State Society, said "a real get-together" is promised the thousands of South Dakotans who will attend the picnic.

CIVIC THEATER GROUP PROPOSED

Creation of a San Gabriel Valley Community Theater Group was proposed recently at a meeting at the Mission Playhouse. Representatives of 34 communities attended the meeting which saw the completion of initial plans.

Purpose of the project, with the Mission Playhouse as the center and home of the theater, would be to bring to the valley the best in all branches of theater arts.

Comedies, drama, mysteries in the best theater tradition would be presented at prices all can afford, according to Lorne Pratt, a Sierra Madrean and manager of the Mission Playhouse.

To show what can be done by an amateur theater group, Mr. Pratt said the San Marino Players will present the comedy, "George Washington Slept Here," at the Playhouse Feb. 22, 23, and 24. There will be no admission charge."

Reservists Fight 'Battle of the Bulge'

Army reserve officers this week were alerted to slenderize if they bulge in the wrong places.

That, in essence, is the text of an Organized Reserve Corps letter being dispatched these days to Southern California officers upon notification to report for active duty.

The "battle of the bulge" suggestion originated at Sixth Army headquarters, San Francisco, after numerous recalled officers experienced "considerable difficulty" in conditioning themselves during the army's required physical refresher course.

8th ANNUAL A. L. CARNIVAL OPENS FRIDAY

The Glenn Dyer Post of the American Legion will put on its 8th Annual Carnival tomorrow and Saturday at the Legion Clubhouse, 720 N. First avenue, Arcadia.

Theme this year is "The Wild West," and patrons are urged to come in costume and join in the fun. The Legion doors open at 7 p.m., early enough for the youngsters.

There will be games for the children, including water pistol shooting, fish bowls, and the ever-popular dart-balloon game. Food booths, refreshments, and games are promised for all ages. Paved parking is available behind the Legion Hall.

Bulldog Battlers Eye Golden Gloves

Boxing season at Pasadena City College will open with a big all-college tournament—the 21st Annual PCC Golden Gloves—on Jan. 30, 31, and Feb. 1, and will close with an even larger tournament, the National Junior College Boxing Championships, on March 29, 30, and 31.

The Golden Gloves Tournament is open to all regularly enrolled men students at PCC. Coach James Worthington expects 36 boxers to enter the tourney. Last year, two Sierra Madre battlers were among the contestants.

Legal Notices

INVITATION TO BIDDERS

Notice is hereby given that the City Council of Sierra Madre, at its regular meeting to be held February 13, 1951, at the hour of 8:00 P. M., in the Council Chambers located in the City Hall of the City of Sierra Madre, will receive and open bids for the purchase of a 4-door de-luxe sedan in accordance with specifications therefor on file in the office of the City Clerk of the City of Sierra Madre.

The City of Sierra Madre also invites bids for the sale of a 1949 4-door Ford DeLuxe Sedan. It is desirable that the bidder for furnishing of the new automobile include in his bid an allowance for trade-in of the used car. However, bids will be received for the used automobile separately, and the bids opened at the same time as for purchase of the new car.

Attention is directed to Specifications regarding Time of Delivery. Delivery is required within 10 days after mailing of award of bid to the successful bidder.

The City Council reserves the right to reject any and all bids not deemed advantageous to the City of Sierra Madre.

By order of the City Council.

January 15, 1951.

Lawrence B. Brain,

Purchasing Agent.

NOTICE OF SALE OF REAL PROPERTY AT PUBLIC AUCTION

(Sale No. 64A)
Office of the Tax Collector of the County of Los Angeles, State of California.

WHEREAS, the Board of Supervisors of the County of Los Angeles pursuant to the provisions of Division 1, Part 6, Chapter 7 of the Revenue and Taxation Code of the State of California, adopted a resolution approving the sale of property hereinafter described; and

WHEREAS, there is filed in my office written authorization for said sale under the hand and seal of the State Controller, to sell said property;

THEREFORE, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated as provided by law, I, H. L. Byram, Tax Collector of the County of Los Angeles, will, commencing February 5, 1951, at the hour of nine o'clock A. M., and continuing from day to day in the office of the County Tax Collector, Third Floor, Hall of Justice, in the City of Los Angeles, offer for sale and sell at public auction to the highest bidder, the following described real property:

Parcel No. 440, Tract No. 2456, Lot com at SE cor of Lot 409; th N 5°33' W 35ft; th S 85°38' 20" W 64.10ft; th S 85°28'20" W 76.65ft; th E 133ft to beg. Part of Lot 409, Assessed to Charles Babonets, Minimum Bid, \$10.00, Location—Vicinity of Alta Vista & Vista Circle Drs., Sierra Madre City.

Parcel No. 441, Tract No. 2456, Lot com at SE cor of Lot 409; th N 5°33' W 35ft; th S 85°38' 20" W 64.10ft; th S 85°28'20" W 76.65ft; th E 133ft to beg. Part of Lot 409, Assessed to Charles Babonets, Minimum Bid, \$10.00, Location—Vicinity of Alta Vista & Vista Circle Drs., Sierra Madre City.

Parcel No. 442, Tract No. 2456, Lot 419, Assessed to Cora B. Corum, Minimum Bid, \$10.00, Location—Vicinity of Alta Vista & Sturtevant Drs., Sierra Madre City.

Parcel No. 443, Tract No. 2456, Lot 420, Assessed to Cora B. Corum, Minimum Bid, \$10.00, Location—Vicinity of Alta Vista & Sturtevant Drs., Sierra Madre City.

Parcel No. 444, Tract No. 2456, Lot com S 29°56' W 105.43 ft and S 61°56' E 57.31ft from most N cor of Lot B; th S 20°25' E 9.36ft; th N 84°06' W to most E cor of Lot F; th N 40°49' E to beg. Part of Lot B. Assessed to Charles S. Mann, Minimum Bid, \$10.00, Location—Vicinity of Manzanita & Sunnyside Aves., Sierra Madre City.

The foregoing described property is located in the County of Los Angeles, State of California.

For information as to the amounts necessary to redeem or initiate an installment plan of redemption, provided the right to redeem has not previously been terminated, apply to H. L. Byram, County Tax Collector, Third Floor, Hall of Justice, Los Angeles 12, California.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

NOTICE TO PROSPECTIVE PURCHASERS

PROSPECTIVE PURCHASERS ARE CAUTIONED THAT PROPERTY CONTAINED IN THIS NOTICE MAY BE ENCUMBERED WITH BONDS AND ASSESSMENTS WHICH MAY NOT BE DISCHARGEABLE BY TAX SALE. INFORMATION AS TO SUCH LIENS SHOULD BE OBTAINED FROM THE CITY TREASURER WHEREIN THE PROPERTY IS LOCATED AND/OR FROM THE APPROPRIATE COUNTY, CITY OR DISTRICT OFFICE IN WHICH THE RECORDS OF SUCH LIENS ARE KEPT.

PROPERTY PURCHASED SHALL BE PAID FOR IN FULL, WITH CASH, AT TIME OF SALE. CASHIER'S CHECKS, CERTIFIED CHECKS, OR BANK MONEY ORDERS WILL BE ACCEPTED IN LIEU OF CASH. PROVIDED THEY ARE MADE PAYABLE TO H. L. BYRAM, COUNTY TAX COLLECTOR.

Dated this 11th day of January, 1951.

H. L. BYRAM,

Tax Collector.

SIERRA MADRE NEWS

Brides:

T

Letter to the Editor

Editor, Sierra Madre News,

I read with great interest a recent article concerning the relinquishment of the old Pacific Electric Railway Station to the City of Sierra Madre.

For the past several years, it has been my pleasure to return to the city of my birth for the Christmas holidays and with each visit, I have been filled with pride and given a greater appreciation of the meaning of Christmas after seeing the little old station decorated in the spirit of the season. I dare say, that throughout the country there does not exist a parallel example of the utilization of a symbol of a bygone era serving so noble a cause each year at Christmas.

As a child, I recall the annual parties at the decorated tree in the city park, long before anyone thought of using the station as it is used today and the joy that was given to every child upon receiving his stocking under the big tree. Carry on this fine spirit, the living tree as the symbol of life everlasting and the little station as the never changing monument to a passing era. I hope that the city fathers will see fit to preserve the station and its grounds, if nothing else than the symbolizing of the world's finest anniversary.

I sincerely hope that future visits to the finest little city in the world will be greeted in the same spirit as have the visits these past few years.

Very truly yours,
James R. Pratley,
Assistant Forest Engineer,
Sierra Madre, California.

The eight items above—needed in polio care and its improvement—give an idea of the vast cost defrayed by the March of Dimes in fighting infantile paralysis. March of Dimes funds, by the millions, have been expended for patient care, research and professional education. YOU CAN HELP make sure the battle against polio continues until the disease is conquered, by joining the 1951 March of Dimes now.

FIRE FLAMES

We are hoping residents of Sierra Madre will never mistake our record of few fires as an indication that fires cannot happen here. Our residents of long standing know the danger, and yet appreciate being reminded.

Those who are new here must learn of the danger of fire and be asked to work with us in keeping down fires.

It is positively due to the fire consciousness of residents that we have few fires. We can get along with even less. It is the duty and the work of the fire department to keep everlastingly and doggedly after the residents to beware of fire. This effort can never be permitted to lag.

The fire department members ask that householders get in touch with the fire department before attempting to do open burning. Look over the "thing" you are using as an incinerator. It is NOT an incinerator to the fire department unless it has been approved.

Even a good incinerator placed where sparks may drop into inflammable materials is not too good. The burning equipment MUST be approved. When consideration is given to the few fires and the low fire loss, there should be no objections to abiding by suggestions of fire officers.

Because the men of the fire station want to be prepared as best they can for the Civil Defense program, they are now having extra drills. This past Friday found a group of the senior members out with the newer fellows. A report of satisfactory drills was well received. Because it is necessary that each member be familiar with the operation of the trucks and the equipment thereon, a great deal of time must be spent in drill.

Even those who have been with the department a long time find that much is easily forgotten without drill. Along with the drills and meetings, there is some sport mixed—and last Friday was no exception. A few of the men stayed at the station long enough for someone to tune up the piano. A late hour arrived too soon. It is hoped that the wives of the other fellows were as

VETS GET SOCIAL SECURITY CREDITS

Under the new Social Security law, all World War II veterans are given Social Security wage credits of \$160 per month for all the time they spent in the Armed services from Sept. 16, 1940, through July 24, 1947, the Pasadena SS office announced last week.

Jay Wootton, mgr., explained that these wage credits are given to them even though they may never have had a Social Security account number and never worked under Social Security.

This means that many veterans who died in the service or after discharge who were not insured under the old Social Security law, may now be fully or currently insured, Mr. Wootton pointed out.

patient as the writer's. (We won't stay so late too often.)

We have had three fire calls this month, none that were of any consequence—but it is still more than we had to start with last year. We appreciate the calls because we would rather be too soon than too late. We encourage calling the fire department at the slightest danger.

In the meantime, every householder is urged to keep a reliable garden hose around the house or yard with length sufficient to reach any part of the house. There have been many occasions in Sierra Madre where the garden hose has saved the day. You are particularly urged to supply such a hose at this time.

If you do you may be the one to put the FIRES OUT.

A plumbing license is your guarantee of dependable workmanship and high professional standards. For the complete satisfaction, for real savings call a licensed plumber.

LA Orphanage Seeks Help

In a special appeal to Sierra Madreans, the Los Angeles Orphanage will seek \$500 as its share of a \$750,000 county-wide fund currently being raised to rebuild the institution's ancient home which is crumbling and soon must be destroyed.

According to Victor H. Rossetti, building campaign fund treasurer, the orphanage and other county communities since their beginnings. It was established in 1856 by the Sisters of Charity and is the county's oldest charitable institution.

He said the present building was constructed in 1890 and that earthquakes and general age soon will make the historic landmark untenable. He pointed out that unless funds are obtained, the institution's vital work must come to an end.

"The Los Angeles Orphanage is virtually the county's only institution that cares for 'non-adoptable' children," he said. "Many are those of a widowed parent who may be hospitalized and unable to give proper care. Others have been the motherless children of servicemen overseas."

The Sierra Madre campaign will be directed largely through the mails, Mr. Rossetti stated, but urged those not receiving an appeal to address contributions to the orphanage, located at 917 S. Boyle avenue, Los Angeles.

Theodor Koch Passes Away

Theodor Koch, a resident of Sierra Madre for 27 years, passed away Friday, Jan. 19, in Hermosa Beach where he had lived for the past year and a half.

A native of Germany, Mr. Koch came to the United States 61 years ago.

He is survived by his wife, Emma of Hermosa Beach; a son, Raymond B. Koch of Sun Valley, Calif.; a daughter, Mrs. Dorothy Pagenkopf of Sierra Madre; and a stepson, Fred Niemann of Ocean Park.

Funeral services were conducted Monday afternoon at Grant Chapel, the Rev. Rudolph Zurbuchen of Emmanuel Methodist Church of Pasadena, officiating. Entombment was at Mountain View Mausoleum.

Volunteers Seek Clothing, Papers

Used clothing, newspapers and magazines are needed at once by Volunteers of America, F. D. R. Moore, president, said yesterday.

Mr. Moore, who lives at 689 W. Sierra Madre boulevard, said such materials provide salvage work for more than 100 elderly and handicapped men and women in the Volunteers' Industrial Department.

Old furniture, metal and other discarded items also can be used, Mr. Moore stated. A call to Volunteers of America offices in Pasadena will bring a truck to pick them up, he added.

More than 450 iron lungs were rushed to polio patients by the March of Dimes during 1950. Contribute today!

Services Conducted For Elsa Wolf, Former L. A. Teacher

Services were conducted yesterday afternoon for Elsa Caroline Wolf, 122 N. Baldwin, who passed away Saturday, Jan. 20.

A former school teacher in the Los Angeles City School System, Miss Wolf had lived in Sierra Madre four months. She was a native of Edwardsville, Illinois.

Only surviving relative on the West Coast is Franklin W. Kohler of La Canada.

The funeral was held yesterday, 4 p. m., at the Little Church of the Flowers, the Rev. Harley G. Smith Jr. officiating. Grant Chapel was in charge of arrangements.

Health Official Warns of Flu

Although an increase in influenza has been reported in Europe, Japan, Honolulu, and in various parts of the United States, notably Virginia and Texas, there has been no reported increase in the disease in Los Angeles County to date.

This is the statement made this week by Dr. Roy O. Gilbert, county health officer, in alerting residents to take "extra precautions" against contracting a respiratory disease.

In the past, pandemics of influenza have swept the world on the average of every 30 years.

"Thirty-two yrs. have now past since 1918, the last large-scale sweep of the disease," the health officer warned.

He urged citizens to contact their physicians at the first signs of respiratory infection.

USMC RANKS STILL OPEN

The United States Marine Corps still offers immediate enlistments.

Men between the ages of 17 and 32 who apply early and who successfully meet the physical and mental requirements will be enlisted immediately in the Marine Corps or Marine Corps Reserve, according to Major R. W. Ryerson, recruiting officer for Southern California and Arizona.

Enlistments are being accepted for three or four years provided the applicant has not received his pre-induction physical examination notice. Veterans of other branches of the services will be appointed privates first class, the officer added.

Scout District Heads Listed

1951 officers and chairmen of the Sierra Madre District Committee, Boy Scouts of America, were announced this week by Ralph Hurwit, publicity chairman.

Chairman of the District Committee this year is Milton Goldberg, 590 Ramona. Vice-chairman is John Woods, 102 E. Miramonte. Other officers and chairmen include:

Egbert Embree, secretary; R. G. Barrett, district commissioner; Dr. Milton Valois, finance chairman; Fayne E. Lockhart, 737 W. Alegria; Charles A. Skutt, leadership training; Hans Guthrie, camping and activities; F. H. Gibian, organization and extension; Gordon G. McMillan, health and safety; Ralph W. Hurwit, public relations;

Members-at-large: Carl Hansen, S. M. Marshall, William Kinney and Edward A. Davey; neighborhood commissioners: Lawrence H. Perry, Frank Wright and William H. Newbery. Assistant district commissioner is Clarence E. Ware.

Bears Kill Redwood Trees

Sometimes a flock of bears takes up residence in our Redwood forest lands. They have an unfortunate habit of standing up and clawing younger trees until they have destroyed the cambium layer all the way around the tree. That kills the tree.

The State takes over and runs them out. Redwood forests happily are largely immune to the usual hazards of fire, disease and pests which plague the trees of other species.

This same lasting quality is inherent in Redwood lumber.

When you want the best for exterior siding, use Redwood. It's our specialty.

Let us serve you.
